About PEMKO:

PEMKO manufactures an extensive range of quality products for many applications. This catalog is focused on Sliding and Folding Hardware. There are many products manufactured by PEMKO that are not included in this catalog. Please visit our website www.pemko.com to view PEMKO’s complete product line. Call PEMKO Customer Service at 1-800-824-3018 for additional information and technical service.

SLIDING & FOLDING HARDWARE

Sliding & Folding Hardware allows space previously required for swing clearance can now be better utilized for decor or to give a more open feel.

PEMKO is the North American distributor for sliding and folding door hardware manufactured by P.C. Henderson. PEMKO has created hardware solution kits with all the components needed to complete a project, except for the actual door. The warranty on P.C. Henderson products is 2 years.

PEMKO also provides several solution kits of its own including the Pocket Frame Kit, Side Wall Track System, Bypass Track System H180, and SHS80. The warranty on PEMKO manufactured products is 5 years.

Select your solution kit based on the door weight, size, mounting (overhead or side wall), sliding or folding, and any special characteristics of the particular opening such as the need for a low profile system. Sliding Kits are offered for doors weighing 180 lbs up to 1100 lbs. Folding Kits are offered for doors weighing up to 275 lbs each.
